March 31, 2020

Dear NESA Center Alumni, Colleagues and Friends,

Due to the Coronavirus pandemic the NESA Center has suspended our Fiscal Year 20 (FY-Oct 19 through Sept 20) Programs. In several cases we have cancelled nation-specific programs which cannot be rescheduled due to academic year requirements. In all other cases we have postponed our programs and have rescheduled them for the July to October time period. As we get a better feel for the impact of the pandemic and how it plays out in the United States and in your countries, we'll announce the adjustments and our registrar will work to begin scheduling participants for attendance.

In the meantime, Team NESA is teleworking. This means we're reworking our FY20 Program Plan, finalizing our FY21 Program development, and writing a number of "thought pieces" on issues which have our Faculty's attention - so stay tuned.

Finally, you'll see NESA use our social media sites to better communicate with you.

Sincerely,

Terry A. Wolff
LTG, USA (Ret.)
Director, NESA Center
